Basil Nicolaenko Distinguished Nonlinear Studies Endowment shall support a distinguished lecture series, scholarships, fellowships and other academic programs in nonlinear studies. The endowment creates a legacy that will forever recognize the important and long lasting contributions that he made to our community, to the study of nonlinear studies at ASU, and to mathematics worldwide.

We welcome donations to the new Basil Nicolaenko Distinguished Nonlinear Studies Endowment. Checks may be made payable to the ASU Foundation. Gift and Pledge Form can found on this web site <http://math.asu.edu/~byn/memorial>

All funds will be deposited with the ASU Foundation, a separate non-profit organization that exists to benefit ASU.
